

SAMBA RECLINER & OTTOMAN

The Samba recliner is setting the new benchmark in recliners. This recliner has the all new Acti-Flex™ system for headrest and lumbar area support. An exclusive looking chair made for immediate comfort and long term satisfaction.

One doesn't just sit in this chair; they experience an entirely different level of absolute comfort.

With Acti-Flex™ the head-/ neck support automatically comes forward as you recline and you can read and watch TV comfortable in a reclined position. When you adjust to an upright position the headrest flattens out.

The head-/neck rest can also manually be adjusted to any desire angle regardless of reclining or upright position. You get therefore the perfect sleep mode while in full reclining position as well as added head-/neck support if desired in a more upright position.

The Acti-Flex™ function adjusts the lower back lumbar support automatically in parallel with the reclining movement. You enjoy perfect support, whether you are sitting in an upright or reclining position. The function is double-sided for maximum stability, functionality and lifetime use.

BENEFITS

COMFORT GLIDE RECLINING SYSTEM™ This patented system allows you to effortlessly recline and swivel as your heart desires.

COLD-CURED FOAM CUSHIONING This space-age material encases the interior steel frame and sinuous springs, allowing for body-friendly curvatures to be covered with glove-fitted leather or upholstery.

THE CHOICE IS YOURS Chair and ottoman are available with four bases: a contemporary chrome-accented domed base; a laminated wood ring base; and a classic wood star base in a selection of custom finishes. You also have a choice of leather and micro-fiber upholstery. See your IMG dealer for the many custom options.

2 DISTINCT SIZES AVAILABLE Assuring a perfect fit for your comfort requirements.

FORM FOLLOWS FUNCTION Nothing proves this axiom more than the Samba Chair. Isn't it time to bring this delightful combination of art and comfort home?

WARRANTY POLICY: Ten years on steel structure and mechanisms. Five years on wood base and molded foam cushions. Two years on leather and fabric covers.
